Aberdeens Around the World Frederick Bull

The Scots have been adventurers for centuries, traveling to all corners of the world and taking the name of their home with them. Scottish place names can be found on every continent, and 'Aberdeen' appears from the Deep South of America to the prairies of Canada; from the tropical islands of the Caribbean to the South America and Africa; from the Bay of Bengal and ancient China to a lush valley in Australia.

From the original Aberdeen in north-east Scotland, journey with Frederick Bull as he travels an extraordinary 96,000miles to visit no less than 30 Aberdeens. The people he meets and the stories he brings back are amazing and they are all in this book.
