Bedding the Enemy Mary Wine

Laird Keir McQuade is a newcomer to his title, and has much work before him to restore the McQuade honor. Finding a wife is an excellent start. He's duty-bound to go to court and swear homage to his king anyway, a perfect opportunity--were not court women trussed in stupid fashions and corrupted with false mannerisms. Of course, not every lady hides behind a powdered face. . .

Helena Knyvett may be a daughter of the aristocracy, but in truth she is little but a pawn in her brother's ploys for power. Her smallest acts of defiance carry a heavy price. But one honorable man among a crowd of dandies could give her all she needs to change her fortunes--and set her free. . .

Among the ruthless ambitions of England's powerful, love at first sight is a dangerous game. But the treachery, scandal, and treason that follow can unleash as much passion as it does adventure. . .

"Sweeps you into the time period without taking a thing away from delightful characters and a charming romance. . .definitely a must-read." --Heather Graham on *In Bed with a Stranger*
