## *2nd Edition*

At the time of the earliest Crusades, young noblewoman Elisabeth longs to be the person she's always known is hidden inside. When her twin brother perishes from a fever, Elisabeth takes his identity to live as a man, a knight. As Elias, he travels to the Holy Land, to adventure, passion, death, and a lesson that honor is sometimes found in unexpected places.

Elias must pass among knights and soldiers, survive furious battle, deadly privations, moral uncertainty, and treachery if he'll have any chance of returning to his newfound love in the magnificent city of Constantinople.
