Extra Math Practice: Kindergarten (Math Made Easy) DK Publishing

Building on what children learn in school, and a great supplement to DK's *Math Made Easy Workbooks*, these guides are filled with worksheets and problems, giving kids the opportunity to practice the mathematical concepts they're learning in school.

While each workbook corresponds with the age range and skills of a *Math Made Easy Workbook*, they can also be used on their own, providing parents and teachers with hands-on learning tools for classrooms and homeschools.

Perfect for aligning with the Common Core State Standards, the exercises in *Extra Math Practice: Kindergarten*, focus on addition and subtraction, analyzing, comparing and creating shapes, counting the number of objects in a category and more.
