## **F-15C Eagle Units in Combat** Steve Davies

The F-15A/C is irrefutably the most successful jet fighter of the last 30 years. Serving in the Air Forces of Israel, the United States and Saudi Arabia, it has racked up a kill ratio exceeding 105:0. Despite its age, it remains the leading operational air superiority and intercept platform in service today. The hi-tech wizardry of modern air combat detailed in this book makes for fascinating reading, even to those not immediately familiar with modern airpower, and a huge pool of previously unpublished information on both aircrafts' combat records is uncovered.
