For decades, guitar students and teachers alike have struggled with the idea of left-handed individuals playing right-handed. Now that the idea of letting the dominant hand rule is widely accepted as the best course of action, here at last is a proven method for the left-handed guitarist! The world's premier method for learning modern plectrum style guitar, time-tested and proven successful in building the theoretic and technical foundation needed to play in any style is now available for the left-handed guitarist! All seven grades of this method are written in standard notation only to encourage better sight reading. In Grade 1, the student guitarist will learn to play solos, duets, scales, and chords in the keys of C, A minor, G and E minor. Even in Grade 1, the student is already exposed to the chord/melody concept of guitar performance. A supplementary study book entitled Grade 1 Studies is available and recommended. The companion recordings feature Tommy Flint and William Bay performing the solos, studies and duets contained in this method. The Left-Handed Modern Guitar Method Grade 1 provides valuable enhancement to the world's most popular guitar method. Includes access to an online audio recording.
