Mu-Sicks Poisonous Venom Stephanie Christine

Mu-Sicks Poisonous Venom speaks about the power of the tongue and the influence of music. Stephanie Christine formerly known as the rhyme poet Chyna Whyte™ refers to the music industry as the "devil's playground" and displays how his demonic influence has perverted the art of music. Today's music is MU-SICK and is sending our nation messages of violence, lust, and self-destruction. She goes in on his territory, infiltrating it with the TRUTH and exposes his tactics. This book is a powerful and positive message to the young and the old encouraging them to guard their eyes and ears because they are the windows to the soul.
