**The Camouflaged Vol. 2 (Italian Edition)** Serena Baldoni

Le pene dell'inferno furono inventate per supplire alle insufficienti attrattive che ci si offrono in Paradiso.

Napoleone Bonaparte si sbagliava di brutto.

L'inferno esiste ed è intorno a noi, vecchio e antico quanto il mondo, umano quanto le persone che aprono loro il cuore, pericoloso, aguzzo come le fauci di un leone predatore, in assenza di luce come di speranze, di tolleranza e compassione.

È indocile, per niente addomesticabile, arrogante e divoratore. Vi mangerà vivi finché di quel che siete, di quel che eravate, non resterà che un'esile briciola infondo al tunnel della vostra umanità. Il male sarà perennemente in lotta contro il bene.

Per sempre.
