## **Bach's Well-tempered Clavier: The 48 Preludes and Fugues** David Ledbetter

Bach's 'Well-tempered Clavier' (the 48 Preludes and Fugues) stands at the core of baroque keyboard music and has been a model and inspiration for performers and composers ever since it was written. This invaluable guide to the 96 pieces explains Bach's various purposes in compiling the music, describes the rich traditions on which he drew and provides commentaries for each prelude and fugue. In his text, David Ledbetter addresses the focal points mentioned by Bach in his original 1722 title page. Drawing on Bach literature over the past three hundred years, he explores German traditions of composition types and Bach's instruments and innovations in keyboard technique in the general context of early eighteenth-century developments; reviews instructive and theoretical literature relating to keyboard temperaments from 1680 to 1750; and discusses Bach's pedagogical intent when composing 'Well-tempered Clavier'. Ledbetter's commentaries on individual preludes and fugues equip readers with the concepts necessary to make their own assessment and include information about the sources when details of notation, ornaments and fingerings have a bearing on performance. David Ledbetter studied music at the universities of Dublin and Oxford, and specialised in the harpsichord and early keyboard instruments at the Staatliche Hochschule für Musik, Freiburg. He was Senior Lecturer at the Royal Northern College of Music, Manchester. Among his publications are 'Harpsichord and Lute Music in 17th-Century France' (1987) and 'Continuo Playing According to Handel' (1990).
