44 CHARLES STREET:

The plumbing was prone to leaks, the furniture rescued from garage sales. And every square inch was being devotedly restored to its original splendor ? even as a relationship fell to pieces. Now Francesca Thayer, newly separated from her lawyer boyfriend Todd, is desperate. The owner of a struggling art gallery, and suddenly the sole mortgage payer on her Greenwich Village townhouse, Francesca does the math and then the unimaginable. She puts out an advertisement for boarders. Soon her house becomes a whole new world.

First comes Eileen, a fresh, pretty L.A. transplant, now a New York City schoolteacher. Then there's Chris, a young father struggling with a troubled ex-wife and the challenge of parenting a seven-year-old son who visits every other weekend. The final tenant is Marya, a celebrated cookbook author hoping to start a new chapter in her life after the death of her husband. As Francesca's art gallery begins to find its footing and Todd moves on to another woman, she discovers that her accidental tenants have become the most important people in her life.

As the roommates bond, and the house fills with the aroma of Marya's exquisite cuisine, there are shadows as well as light. Naïve Eileen explores the precarious boundaries of online dating with a series of strangers. Chris's custody fight for his son escalates to devastating levels. Marya faces an unexpected choice that will take her into untested waters. And Francesca herself will contemplate what had seemed impossible: opening her heart once more.

Over the course of one amazing, unforgettable, ultimately life-changing year, the house at 44 Charles Street fills with laughter, heartbreak, and, always, hope.

FIRST SIGHT

New York. London. Milan. Paris. Fashion Week in all four cities. A month of endless interviews, parties, and unflagging work and attention to detail at the semiannual ready to wear fashion shows ? the famous prêt-à-porter. At the center of the storm and avalanche of work is American Timmie O'Neill, whose renowned line, Timmie O, is the embodiment of casual chic, in fashion and for the home.

With an unerring instinct for what the next trend will be, an innate genius for business, tireless labor, and sheer fearlessness, starting from nothing, over two decades Timmie has built an international empire that has brought her enormous satisfaction and success. Yet as blessed as she feels by her success, Timmie harbors the private wounds of a devastating childhood and past tragedy. She is too smart, too experienced, and too hurt to want much in her personal life beyond a succession of convenient, very limited relationships. Always willing to take risks in business, she never risks her heart.

But despite her well-ordered and highly controlled world, it turns out that Timmie O'Neill is not immune to magic when it strikes. And it strikes in Paris during Paris Fashion Week, when an intriguing Frenchman comes into her life when she gets sick. At first, Timmie and Jean-Charles Vernier are only patient and physician. They become confidants and friends, corresponding at a safe distance between Paris and Los Angeles once she goes home. There is every reason why they must remain apart. But neither can deny their

growing friendship and the electricity that sparks whenever they meet.

First Sight is as complex and compelling as modern life itself: careers, families, histories, losses, duty, obligation, and fear of losing control and getting hurt. It is a tale of daring to take risks, and losing control just enough to have a life, when the opportunity presents itself. When two very different worlds and strong-willed people collide, everything changes in an instant, as they confront the age-old question of whether to lay oneself bare and risk intimacy ? or not. Are they brave enough to face what comes next? And will they do it together or apart?
