**Obama-Wama-Ding-Dong: A Children's Book For Adults About the Political Climate of America [Barack Obama]** Jake Aurelian

Review via personal communication to author: "Your book describes the political atmosphere of this country like no other book I've read in my 30 years of being in politics. And I asked myself, 'Who is this kid? He's from the liberal U of I, he has no political background ... and he wrote a political book that's better than any political book I've read in 30 years!'"

**The Bold Pursuit:** "I am a great fan of dry wit, which author/cartoonist Jake Aurelian deftly wields while slicing and dicing media collusion, double standards and the collective political charade that is Obama & Company in his book, Obama-Wama-Ding-Dong. ... The author hits every salient point about this administration's follies and deceits, while holding the media accountable for their drooling patronage of 'the messiah.' ... Cleverly written as a 'Children's Book for Adults,' Obama-Wama-Ding-Dong is an easy, compelling read and a great gift for those still waiting for Mr. Obama to part the seas and heal the earth. Conservatives will appreciate the humor, as well as the factual, 'tell it like it is' nature of the book (fairy dust and unicorns – not included). Kudos to the author: Obama-Wama-Ding-Dong really sent a tingle up our leg!"

**The George Jarkesy Radio Show:** "Hilarious ... a great lil comic book ... very entertaining ... very easy to understand ... we loved the book!"

**Right On Weekly:** "Well Jake Aurelian is a very different author. He has picked up on something very profound. ... it is a hoot! I laughed all the way through it! It is hysterical. It is also sadly 100% correct."

**Book description:** It's a weird truth: people get pissy over their Obama love. Today's America is unlike anything we've ever experienced. With aiding and abetting by the love struck media, the fraud of Barack Obama seduced the country ... and definitely proved that "on the job training" does not work. And these are scary, dangerous times, fraught with daily deceit, hypocrisy and an inordinate amount of zero accountability that goes beyond the typical "party lines," beyond political affiliations and beyond what anyone wants to call themselves, be it liberal or conservative; the common foundation and common bond we all share as Americans should supersede any political alliance or agenda. A shady past, zero experience, a failed record, a subservient, derelict media and a brainwashed public submitted in illustrated children's book format, Obama-Wama-Ding-Dong: A Children's Book For Adults About the Political Climate of America is a smart little book with a silly little name. Laced with bitter facts and savvy satire, Obama-Wama-Ding-Dong is a quirky, gritty reminder and sad reflection of what the Obama administration and the Media Asylum have done to our country.
