Pain Management: PreTest® Self-Assessment and Review

Pain Management: PreTest® Self-Assessment and Review

For residents and practitioners preparing for either the new pain management board or the anaesthesiology board, this book is useful for self-examination and review. This addition to the "Specialty Level" series contains 600 multiple-choice questions in board format, with detailed answers and explanation referenced to current major texts and journals. In every way - degree of difficulty, subject matter, time constraints - the questions simulate those on board exams. It may also be utilized by those simply interested in maintaining a high level of competence in the fast-emerging sub-specialty of pain management.
