If you want to know exactly what goes in to your dog's treats, now you can make them yourself using 24 easy-to-follow recipes found in The Homemade Dog Biscuit Cookbook. The biscuit recipes all begin with the same basic foundation, and are enhanced by mouthwatering variations that include banana, peanut butter, chicken, bacon bits, turkey and more. This book will also show you how to prepare simple yogurt treats for a cool taste on a hot summer day. Because each recipe in this book calls for many of the same ingredients, all of which can easily be found at the local grocery or health food store, pet owners will enjoy the convenience of a minimal shopping list. When it comes time to test the recipes, this book will guide you through each 'pawsitively' simple step of the way. Every time you slide a fresh batch of dog biscuits into the oven, your kitchen will quickly be filled with the comforting smells of homemade. The end result is a batch of treats that you will feel good about feeding to your dog, and a dog that will love you for it.
