The Tiger and the Tomb (Khamsin Warriors of the Wind Book 2) Bonnie Vanak
Warrior of the Wind

The map to the treasure-filled tomb that would ransom Lady Katherine's father was in the possession of a half-English "Khamsin," a desert warrior renowned for tiger-like ferocity. Long ago, a tiger had scarred Katherine and taught her a lesson: Protect yourself from such powerful creatures, no matter how beautiful. The veil she wore would not be enough.

Seeker of her heart

Her foe was truly dangerous. His amber eyes were keener than his sword, his kisses too. They stripped away Katherine's defenses and made her forget her duties, her promises, why she'd hidden so much from his view. Then the warrior took Katherine where she wished to go. In the depths of his ancestor's tomb he made sweet love to her and proved she was his... and that very soon he would uncover everything she tried to hide.
