Released just in time for the 2016 tax season, this is the same Pub 17 available free-of-charge as a 288 page PDF from the IRS website. The IRS no longer offers a print version; as a Tax Preparer (and ex-Librarian), I know that many people prefer information in print. These are double sided pages created on a high-quality commercial printer. They are 3 hole-punched, suitable for a standard binder. I am also offering a spiral bound version. See my other listing. Please contact me if you have any questions.
