**Mayflower 1620: A New Look at a Pilgrim Voyage** Catherine O'Neill Grace, Peter Arenstam, John Kemp, Plimoth Plantation

Plimoth Plantation and the National Geographic Society come together to tell the true story behind the legendary voyage of the *Mayflower*. A meticulously researched work, *Mayflower 1620* offers children a compelling, fresh account of this much-told story.

Vibrant photography of a rare reenactment using the *Mayflower II* leads readers imaginatively into the narrative. The vivid and informative text explores the story behind the exhibits at the living-history museum in Plymouth, Massachusetts. Primary sources record what the voyagers wore, what they ate, and telling details of their journey. First-person accounts reveal the hopes and dreams they carried. Readers share in the long hours at sea, and in the dangers faced after landfall. Extensive end notes, a map, a detailed chronology, and a bibliography round out the full story of the *Mayflower*.

Readers experience a new look at this seminal historical event through the eyes of those who now regularly inhabit the world of the pilgrims—the actors who interpret the Pilgrim Voyage. This eye-opening book teaches children the value of closely reexamining everything we think we know.
