Lataya Kelly has watched Chao Shih from afar. She would be lying if she said she hadn't had dirty thoughts about the muscular, handsome CEO. He is, perhaps, one of the most handsome men Lataya has ever seen, and to top it off he is a bona fide billionaire.

She is thrilled when she is promoted to his personal assistant, and even more thrilled when he calls her into his office and asks her on a date. Things move fast, and soon they are deeply attracted to each other. Heat and passion moves between them like electricity. She has never had sex this good. Chao Shih knows his way around the bedroom and the boardroom.

One of the perks of her position is free travel for business. Lataya finds herself in Paris, with Chao. At first, this is perfect, but complications arise. The co-worker who caught her and Chao kissing won't let up. And finding out that she is pregnant hasn't made things easier.
