Only two weeks have passed since Hilary Lucev arrived to work in a military hospital in the middle of a war zone, and already the curvy blonde feels like an outsider. But when an emergency situation finds her caring for handsome Specialist John Cassidy, Hilary begins to think that maybe she's found exactly where she's supposed to be.

John Cassidy is a lone lion shifter who savors his freedom. With a few years to go until he's expected to settle down and find a mate he's bounced from woman to woman without a thought – but when he meets voluptuous Nurse Lucev after an explosion takes out his team's Humvee, John knows that he's found someone special.

But the warzone is no place for romance, and when an attack calls John into duty he must part ways with the only woman he's ever cared about. With Hilary whisked away back to America, and John missing in the aftermath of an evacuation, will love find a way, or will John's heroism spell the end for their whirlwind romance?
