Wynd Landers came to rural Georgia to work the fields at Riley Farms, just one of many migrant workers with sun-darkened faces, dirty clothes, and hungry eyes. His rock-hard body, calloused hands, long legs and tight rump set him apart from the leaner, wirier men toiling in the hot southern sun. Storm Riley, the boss's daughter, can't take her eyes from the handsome worker whose smoldering amber eyes raked over her with appreciation when he hopped down from the rusted truck. Her palms itched to touch him, her lips to taste his, her body to know him intimately but she knew any contact was forbidden by the rigid class structure under which she'd been raised. With the blazing Georgia sun heating their blood, the warm rains nourishing their imaginations, and soft seasonal winds wafting over their desire-fed bodies, unstoppable passion will bloom into life when a man named Wynd and a woman named Storm clash. Rating: Spicy/Carnal. Genre: Contemporary Romance
