Voices of the Sacred Feminine: Conversations to Re-Shape Our World

Most of us have come to realize patriarchy - rule by a male-dominated society revering solely a male God - is not working for Mother Earth or most of the people on the planet. How do we counter beliefs that there is no option but the authoritarian father? How does society go about making a course correction? How do ideas that permeate every level of society from womb to tomb, boardroom to bedroom, voting booth to the workplace shift into a more fair, equal, and just world of partnership, sharing, caring and peace? Those are exactly the questions discussed on the long-running radio show, /Voices of the Sacred Feminine/, hosted by Rev. Dr. Karen Tate in her show dedicated to the Sacred Feminine as deity, archetype and ideal. Never before has an internet radio show cast such a wide net to include so many voices whose ideals are in alignment with “sacred feminine liberation theology.” If we can imagine it, vision it, and restore ancient truths swept beneath the rug and kicked to the curb by patriarchy, then we can manifest it! Hear solutions from these visionaries, scholars, wayshowers, foremothers and activists - women and men - dedicated to reshaping our world...
