A Saga of Sea Eagles

John A. Love

A Saga of Sea Eagles John A. Love

This is a much-needed update on a pioneering reintroduction project and its much-celebrated success. It also provides essential background and a logical and objective summary of its justification and significance in global conservation terms. It is very much a personal account, although fundamentally based upon and cognisant of the science, deriving much from the author's own experiences and researches, and liberally illustrated mostly by the author's photographs and drawings. This intimate account tells all that has happened since the reintroduction of the White-tailed Sea Eagle first began and exactly how its successes over the subsequent three and a half decades have received such worldwide recognition and acclaim. It describes the pioneering Rum releases (Phase 1) with which the author had been intimately involved, summaries of the Wester Ross (Phase 2) and East Scotland (Phase 3) releases with up-to-date information on the current Irish project in Kerry. The book includes a classification of the eagles and their folklore and information about the bird's history, distribution and biology including its breeding and feeding habits. The reader learns how the kudos of having Sea Eagles nesting locally has brought considerable economic benefit to Scottish communities, as it has in Norway and elsewhere.

From reader reviews:

Lorenzo Logan:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each book has different aim or even goal; it means that reserve has different type. Some people feel enjoy to spend their the perfect time to read a book. They are really reading whatever they take because their hobby is reading a book. What about the person who don't like reading a book? Sometime, man feel need book once they found difficult problem or perhaps exercise. Well, probably you will want this A Saga of Sea Eagles.

Stacey Williams:

Your reading 6th sense will not betray you, why because this A Saga of Sea Eagles e-book written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written throughout good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still doubt A Saga of Sea Eagles as good book not simply by the cover but also by the content. This is one guide that can break don't ascertain book by its include, so do you still needing one more sixth sense to pick this!?! Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.

Linda Bryant:

In this period globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. The particular book that recommended to you personally is A Saga of Sea Eagles this book consist a lot of the information in the condition of this world now. That book was represented how does the world has grown up. The vocabulary styles that writer value to explain it is easy to understand. Often the writer made some exploration when he makes this book. Here is why this book acceptable all of you.

Katie Broadnax:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this A Saga of Sea Eagles can make you truly feel more interested to read.
