Here I Am Again, Lord: Confessions of a Slow Learner Carole Mayhall

Good news for those who have to keep learning the same life lessons again and again. Every believer wants to experience successful, even dramatic, spiritual growth. Yet in their spiritual lives they often feel as though they're taking two steps forward and three steps backward. As they learn and relearn the same life lessons time and again, they become discouraged, assuming they're not changing or growing at all. In fact, it often feels they're getting worse! But as author Carole Mayhall gently reminds readers, these experiences are a normal - even vital - part of the healthy Christian life. With heartwarming vulnerability, Mayhall explains and illustrates that spiritual growth is a lifelong endeavor. And through it all, our heavenly Father is whispering, "I will uphold you. I will sustain you. I will carry you" Through brief, compelling vignettes that draw upon her natural strength as a storyteller, Mayhall shows how spiritual truths play out in everyday life. And she guides readers regarding how to study the Bible topically. Painting a vivid picture of a patient God who lovingly shapes us, *Here I Am Again, Lord* offers solid reassurance and motivation to significantly encourage readers in their walk with Christ.
