New Edition (10/07/2012)

- 
- \* reformatted for easier reading (bigger letters)
  - \* added information about the authors
  - \* overall enhanced formatting and compatibility

from the introduction:

Hebrew has the reputation of being a difficult and heavy language, after all it's the language of the Bible. But it can be so much fun if we take a more playful approach!

After looking at the Hebrew alphabet for the first time and trying to memorize its letters and sounds, many learners forget quickly if they don't apply their knowledge on a daily basis. Hebrew uses a completely different alphabet than English and even the reading direction goes from right to left instead of left to right. This all takes some getting used to.

Reading is still one of the most convenient ways to make a language stick, because you're actually using the language while learning it, instead of merely memorizing isolated bits and pieces.

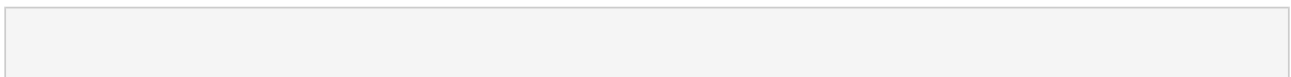

This story book for Hebrew learners is a first step in reading comprehension training for beginners, featuring a simple narrative which is accessible to readers both young and old. Each part of the story is accompanied by an original illustration, so that even when you don't understand all the words, you can still get the gist of it and put the missing words in context.

In addition to that, each picture is followed by a table containing translation and transliteration (pronunciation guide).

If in the end, you're still not sure whether you're pronouncing the words correctly, listen to the accompanying audio file.

This book contains:

- full color illustrations
- two different versions of the book
- vocabulary and pronunciation guide
- translations of words and phrases
- a free audio guide
- questions to train text comprehension

#### **Cathy Duran:**

Precisely why? Because this Learn Hebrew With Stories And Pictures: Igool Ha Peleh (The Magic Circle) - includes vocabulary, questions and audio is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will zap you with the secret the item inside. Reading this book adjacent to it was fantastic author who all write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of benefits than the other book possess such as help improving your skill and your critical thinking technique. So , still want to postpone having that book? If I were you I will go to the book store hurriedly.

#### **Cynthia Kipp:**

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there

but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Learn Hebrew With Stories And Pictures: Igool Ha Peleh (The Magic Circle) - includes vocabulary, questions and audio can make you sense more interested to read.
