Whether you are a general practitioner or specialize in family law, *New Jersey Family Law, Second Edition* will provide the tools to help you work more effectively. You'll find a clear and in-depth presentation of the grounds for divorce and annulment, equitable distribution of marital property, premarital and property settlement agreements, adoption, alimony, child support, and the Uniform Interstate Family Support Act (UIFSA).

The practice of family law has changed dramatically over the past several decades and continues to develop. This well-indexed, single volume puts the most timely information at your fingertips, with coverage of critical topics including:

- Custody and visitation
- Calculation of alimony and child support
- Trials, pre-trial and post-judgment motion practice
- Domestic violence
- Marital torts
- Discovery
- Divorce taxation

The authors have expanded the discussion of mediation, arbitration, and equitable distribution, and added analysis on the creation and dissolution of civil unions in the Second Edition, plus added 87 essential matrimonial forms to save you valuable time.

This eBook features links to Lexis Advance for further legal research options.
