Passport Diaries: A Novel Tamara Gregory

Kia Carson thinks she knows exactly what she wants in a relationship. As a child, she saw it every time she watched her father smell her mother's hair as her mother tenderly affixed his cuff links in the mornings before work, or when her father in loving return lightly tapped her mother's bottom as she walked away. But, despite her old-fashioned romantic notions, the best Kia can manage these days are booty calls with delectable but vacuous L.A. men.

At least she has her career. Her energy and idealism as an assistant D.A. have won her respect and admiration -- and, in the case of Drew, a handsome, funny, and considerate white coworker, something much more. But before Drew can express his true feelings, a run-in with her boss gets Kia suspended from her job. Her best friend, Maya, suggests a European vacation to help get her head and heart together. Hesitant at first, Kia soon sees that nothing -- or, more to the point, no one -- is really keeping her in L.A., so she opts for the adventure of a lifetime. Kia packs up her things, inhales, then exhales, and finally takes flight -- alone.

Passport Diaries is a wonderfully assured debut. Smart, original, and laugh-out-loud funny, it's an irresistible, lighthearted read. Gregory is a refreshing new voice and offers up a brightly told story with surprising reservoirs of depth.
