Spartan Love

Cyrus didn't want to be separated from his love, especially in a time of war.

Just the night before, Cyrus and Alexander had consummated their love for the first time, and Cyrus wanted to make sure he did all he could do so that it wasn't the last time.

It had been a long, frustrated journey for Cyrus to turn Alexander from a friend to a lover. Now that they had coupled, he wanted to continue that journey, even long after the two men had become **warriors of Sparta**.

Could the two young Spartan soldiers fight the odds of their relationship as they fought in a war? Would the war bring them *even closer*?
