He's Out of the Highlands and on the Prowl...

Regina Talbot-Jones has always known her rambling family home was haunted. She's also aware her brother has invited one of his friends to attend an ill-conceived séance. She didn't count on that friend being so handsome...and she certainly didn't expect him to be a dragon.

Younger son of a family of shapeshifting dragons, Highlander Colin MacAlasdair has lived a life free of both family duty and mortal cares. Moving in and out of human society as he wishes, he takes very little seriously-until Regina drops onto his balcony one midnight, catching his attention and his interest. She's like no mortal he's ever met, and no matter how hard he tries, he can't seem to get her out of his head.

Bound by circumstance, drawn by the fire awakening inside of them, Colin and Regina must work together to defeat a vengeful spirit-and discover whether their growing love is powerful enough to defy convention.
