When Georgia Reed moved her twin boys and infant daughter out of the bustling city, she didn't expect to have a doctor on call. But her gorgeous neighbor—and part-owner of the cutest litter of puppies she's ever seen—wasn't your typical orthopedic surgeon. Matt Garrett was the most popular bachelor in town...and when he asked Georgia on a date, the single mom couldn't say no.

All Matt ever wanted was a family—and the right woman. Ever since he moved next door, he had a sneaking suspicion that Georgia was that woman. The beautiful widow and her kids came as a package deal...which suited Matt just fine. Now if only he could make Georgia see that they could be more than good neighbors....
