My Own Damn Camino: True Tales From the Road Evan Llewellyn

From the author of "Whaddya Mean a Year In Provence?", "My Own Damn Camino" follows the author and his wife as they journey along the thousand-mile Camino de Compostela. It's a path of high hopes and heavy hearts with its share of philosophers and mystics, sore feet and snoring bedmates. There is even the occasional epiphany under the blazing sun so that somehow it all seems worth it.
