Options Trading for Beginners: Simple Tips on How to Get Started and Make Money with Stock Options Trading (Options Trading, Stock Options, Options Trading Strategies) Jay Morrow

The world of options trading can be daunting but whether you want to diversify your investment portfolio, make extra money on some stock you already own, or you just want to understand what options are, this is the book for you. Options Trading for Beginners will give you a streamlined and jargon-light discussion of what options are and how you can start trading them, as well as tips for making the safest and most financially sound decisions possible. For every option trading strategy there is at least one book and three other people that will tell you why it is right, why it is wrong and what you should be doing instead. After reading this book you will be able to understand which trading strategy is best for your needs and how to navigate the murky floors of option trading without throwing all your money behind a sure to lose option that has false promises of a big return.

Here is what you will learn after reading this book:

- Learn about the many types of options available to you and which will work best for you: do you want to take risks and make it big quick? Or do you want to play it safe and create a new steady income that grows every year?
- Discover several easy-to-use beginner strategies for option trading; are you a bear, a bull or a pig?
- Create a secure and reliable income by understanding when to buy options and when to sell them by knowing how to play the market and how to make the safest choices.
