Out Of The Vortex: What Abrahamsters Need to Know About Why They Aren't "In The Vortex" (and how they can get in!) Lori Chidori Phillips

Devotees of Abraham-Hicks know about The Vortex and the pure, positive energy which drives creativity and manifests all good desires. Yet, many still strain to get into The Vortex because they lack an understanding of out-of-The-Vortex experiences and the important role they play in life. We also can carry negative energy within our conscious and subconscious vibrational fields. Resistance comes in many forms that we do not recognize. This book does not contradict any of Abraham's teachings but attempts to explain some of the oft-misunderstood concepts. A little clarification can help Abers relax into The Vortex while not missing the higher purpose of their lives: to learn from a wide range of human experiences.
