Born to Learn: Real World Learning Through Unschooling and Immersion Kytka Hilmar-Jezek **Radical Unschooling from an Experienced Parent with over 20 Years Experience!**

This NEW EDITION is has added over 100+ new pages to this ground-breaking work!

Finally, you can use the whole world as your child's classroom. In this unschooling handbook, your questions about learning without school are finally answered. What you come to understand is that unschooling is a lifestyle of learning and your children do not fall prey to the hidden curriculum of compulsory schooling. You don't waste your time homeschooling or creating activities for homeschoolers. What this book shares is that your kids are learning every minute and how you can teach your own, because a revolution has begun and children of today are finally free to learn. Filled with ideas for a joyful unschooled life, there is no more "dumbing us down" because Kytka discusses how children learn. She shares life through the lens of unschooling and how her family found the freedom to live their dreams.

Learn the Reasons You Want Your Kids To Have Self-Directed Learning

You will grasp the concept of free range learning and truly know that homeschooling changes everything. Some people have called this simple yet profound book a unschooling manifesto. In this back to basics guide, you give your kids a real education, and allow them to practice guerilla learning! You will be raising self-sufficient children instead o submitting them to the weapons of mass instruction (aka, the dark world of compulsory schooling)!

Unschooling is Modern Homeschooling - Kids are Free to Learn at Last!

All children are natural born learners and should be free to live and be raised as independent thinking, information seeking, self-directed lovers of learning. Rediscover education and unlearn what you know about schools. They are not the place for the bright children of the technological age!

Talk About Adventures in Parenting off the Beaten Path - This Book is a Wake Up Call to All Parents!

This book will inspire you to start mentoring self-directed learners, reawakening the instinct to play and help them to do things better. Finally, a homeschool rhythm and curriculum plan that works for your family! NOW is the time to get your kids out of the box and allow them to free their minds to activate creative expression, entrepreneurial habits and true deep thinking. Stop them from being programmed with ideas that simply don't work in today's world and get them excited about learning.
