This companion volume to *Collaborative Strategies for Teaching Reading Comprehension*, which covered lower grades, completes the educational arc by focusing on adolescent readers in grades 6-12. Drawing on the most current standards from the American Association for School Librarians (AASL) as well as cutting-edge research, this straightforward book

- Offers a comprehensive approach to increasing students reading comprehension, with chapters covering the complete range of skills
- Includes graphic organizers, rubrics, sample student work, adaptable lesson plans, and more
- Addresses the evolving relationship between technology and reading comprehension

Designed to raise reading scores and encourage classroom teacher-school librarian partnerships, this timely resource identifies new and critical areas of importance as they relate to current standards.
