Make It Or Break It: Stained Glass for Beginners, 2nd Edition Mr Phillip Curtis McKee III

The innovative stained glass textbook by award winning stained glass artist Phillip McKee, who was also injured as a firefighter at the Pentagon fighting the fires spawned by the terrorist attacks on 9-11. The easy to follow lessons guide you through all the stages of making stained glass art. In a first for a stained glass textbook, this work includes links to free online videos that actually show readers how to perform the tasks covered in the lessons! You're no longer learning alone. Instead, it's like having a private tutor. Plus, there are additional links for downloading the free patterns included with the book, a free trial of the GlassEye 200 stained glass design software and over 340+ stained glass patterns that you can use for free. No other stained glass instructional book has this combination of features.

The first edition of "Make It or Break It; Stained Glass for Beginners" went through multiple printings and sold copies on every continent - a scientist on Antarctica even bought a copy! It has been used by stained glass instructors in numerous English-speaking countries and by self-taught artists around the globe.

Now with the added online content, improved and expanded lessons, and in eBook form, the 2nd Edition has gotten even better.
