What if you could go back and change the past? Kyle Cash made the biggest mistake of his life on March 13, 2014, when he crashed his friend's Audi into a school bus full of children. The accident haunts him every day, until the sister of one of the kids killed in the crash comes to visit Kyle at Stevenson Youth Correctional Facility and offers him the opportunity to travel back in time. Kyle learns, though, that time weaving is more complicated-- and more dangerous - than he ever could have imagined.

Time of Death is a six-book series from EPIC Press.
