What Happened To Prince Charming?: Understanding What To Do When You No Longer Know the Man You're Married To Dana Rongione

"I love my husband," she confided, "but I'm not sure I'm still 'in love' with him."

My heart crumbled as this lovely young wife and mother told me of her struggling marriage and desire for a divorce. For as long as I had known her, she had dreamed of getting married and starting a family. When she met Mr. Right, the glow on her face outshone the sun, and when she found out she was expecting their first baby, it seemed like she had discovered her perfect place in life. So, what happened? It wasn't so long ago that she was singing the praises of her Prince Charming, but now it seems that all she can do is utter complaints about her Elmer Fudd. What made the change, and is divorce the only solution?

Unfortunately, her story is all too familiar, and her pain rings true in the hearts of hundreds (if not thousands) of women across the globe. What is a wife to do when she no longer recognizes the man she married? Within this book, you'll find the answer to that question along with Scriptural advice on making the most of your marriage.

When you tied the knot, you made a promise to love your husband for better or for worse. I want to help you keep that promise!
