Arts, Inc.: How Greed and Neglect Have Destroyed Our Cultural Rights

Bill Ivey

Arts, Inc.: How Greed and Neglect Have Destroyed Our Cultural Rights Bill Ivey

In this impassioned and persuasive book, Bill Ivey, the former chairman of the National Endowment for the Arts, assesses the current state of the arts in America and finds cause for alarm. Even as he celebrates our ever-emerging culture and the way it enriches our lives here at home while spreading the dream of democracy around the world, he points to a looming crisis. The expanding footprint of copyright, an unconstrained arts industry marketplace, and a government unwilling to engage culture as a serious arena for public policy have come together to undermine art, artistry, and cultural heritage—the expressive life of America. In eight succinct chapters, Ivey blends personal and professional memoir, policy analysis, and deeply held convictions to explore and define a coordinated vision for art, culture, and expression in American life.
