There is an unseen world most people can't begin to imagine...Where the most ordinary things can turn against you. The village of Templeton was evacuated during World War 2. Now even the ghosts are leaving - because something terrible stayed behind. Ben and his new friends at the School of Night must find out what's going on. But they are soon trapped in the village, where even the trees and plants turn against them. Could you survive against all the odds? Could you solve the ancient mystery and free the village from a curse that threatens the whole world? If you could, then maybe you have what it takes to join "The School of Night".
