"...Crossing Barriers for the Great Commission: An Ethiopian Perspective can be used for Bible schools to prepare those who are training to be missionaries, for church leaders so that they can prioritize mission in their respective churches, and for missiologists and researchers to continue the discussion that these authors have started. I strongly recommend [this book] for all who are engaged in God's mission globally, but specifically for churches, Bible schools and missionaries in Ethiopia. It is a contextually relevant, groundbreaking and timely book." Ermias Mamo (PhD) Chaplain and Mission Professor Ethiopian Graduate School of Theology
