Ebony's Saunders' evening was off to a really bad start when she noticed her car tire was flat. Then as if by magic a tall handsome soldier comes to her rescue. Charismatic and so sexy he tempts Ebony to let her guards down and allow him to help her.

Stunningly beautiful, yet still single, Ebony had planned to spend a quiet night alone with her vibrator. Well, that was the plan until that flat tire places her on a collision course with GI Joe and destiny. Suddenly she finds herself face to face with an extremely gorgeous young Marine who makes her change all of her plans and break all of her rules.

This is a sexy, American Love Story with a lot of twists and turns and a whole lot of love and heart.
