Manual for the united States Republic: An Introductory Review David E. Robinson

After a year of face-to-face negotiations with high-ranking members of the armed forces of the united States of America, the leaders of the freedom movement have joined together to bring you a four step comprehensive remedy — the Restore America Plan — whereby the military has agreed to follow the orders of the legitimate de jure government upon its proper restoration and execution. To be clear, this is not a typical patriot “remedy.” The four step Restore America Plan was proposed by high-ranking members of the military who are tired of taking orders from a corporate CEO (the President of the corporate UNITED STATES, and who recognize the People as the last chance to avoid a third world war. In fulfilling this “call to action”, the Guardian Elders who wrote the Declaration of the Restore America Plan are prepared, with your assistance, to restore the one true sovereign authority on the land, once and for all, as the only lawful government of the United States of America in truth — and in the eyes of the military commanders. As you will see when you read the one page Declaration and the Warrants and Orders attached thereto, the remedy is already won, even before it begins. By its very nature, the mere act of re-inhabiting the de jure institutions of law creates the victory we have all been seeking. Actors throughout the United States Federal Corporation understand that they must ultimately defer to the de jure authority of the restored Republic. The remedy is self-actualizing. If you elect to join us in this historic adventure, you will be part of the lawful solution to the current problems we face, instead of a perpetual victim. Your future and the future of your children will finally be in your hands. There will be no more excuses, or anyone else to blame. The future will be yours to create. By joining, you agree to take a covenant of office and occupy the office of juror of the De jure Grand Juries which are instantly assembled under the Creator in each of the fifty (50) Republic free states for the purpose of re-inhabiting the de jure institutions of lawful government, eliminating de facto institutions, and peacefully restoring the People’s wealth. Indeed, the power will rest with you. You may also wish to join the Guardians of the Free Republics: the well-regulated volunteer defenders of the free Republics and the unanimous Declaration of the Republic of the united States of America.
