As a U.S. Senator, Marco has led a bold offensive to institute innovative, conservative ideas to address these fundamental issues and to restore hope in the American Dream. His ideas are firmly rooted in this simple truth – the American economy has changed significantly in recent decades and our policies must change with it. He has proposed conservative reforms to our nation’s anti-poverty laws, tax code, regulatory policies, higher education system, vital senior safety net programs and national defense.

Rubio:

"Cancel President Obama’s unconstitutional executive orders
Eliminate federal funding for sanctuary cities
Deport criminal illegal aliens
Hire 20,000 new Border Patrol agents
Finish all 700 miles of walls on our southern border
Implement an entry-exit visa tracking system
Implement a functional eVerify system
Install \$4 billion in new cameras and sensors on the border"
