Principles of Takeover Regulation David Kershaw

Providing a clear and comprehensive exposition of takeover law in the UK, this book analyses the principles behind the Takeover Code, explaining the origin, effect, and operation of the rules and regulation with reference to practice and theory.

Set in an economic context, the book includes coverage of the jurisprudence of the Takeover Panel, and includes comparative coverage of relevant aspects of US takeover law. This book offers an in-depth understanding of takeover regulation while also providing a degree of context and background to make sense of the regulation. A thoughtful explanation of takeover law with a unique comparative element, this is a valuable resource for the field of takeover law.
