Rose Anna Zook has watched her two older sisters marry two Stoltzfus men and has always thought she and John, the third Stoltzfus brother, would marry, make a home together, have children. But John has other ideas. He's enjoying his *Rumschpringe* in the *Englisch* world a little too much and isn't interested in returning to the Amish community—especially to marry.

Rose Anna is determined to bring her man back into the Amish fold. John is equally determined to live his life free and unencumbered. Who will win this battle of wills? Will love prevail?
