Demon Creed (Demon Outlaws) Paula Altenburg

When the Godseeker assassin Creed investigates stories of children gone missing, the trail leads him to an isolated ranch that is rumored to be involved in the slave trade. The owner of the ranch orders the enslaved Nieve to find any weakness in Creed that can be used against him to stop his investigation. But Creed's secrets are buried deep. Or so he believes. Nieve, who knows the intensity of an immortal's allure firsthand, recognizes the demon in Creed at once. Fun-loving and irresistible to most women, Creed tries to keep his identity hidden, ease her fears and get to the truth the best way he knows how. Seduction. But Nieve has her own secret—a demon who once tricked her and their half demon son who was sold into slavery. In a race against the clock, she'll do whatever it takes to get her child back, even if it means putting her trust in Creed.
