Jesus stated that whoever believes in Him would do even greater works than He did because He was going to the Father (John 14:12). With such solid promises from God Himself, why is it that so many sincere Christ-followers feel confined to a life of spiritual mediocrity? How is it that those who have the Spirit of God living in them are failing to live in victory over sin? Why is there so much lack of love and unity among those called to represent God's life to the world? Journey into the Spirit Empowered Life is a book that transcends culture, and taps into the deepest desires that God has placed in the human soul. This book addresses some of the hard questions that many Christ-followers have in their hearts but have not found answers to. Through the pages of this book we will seek to break the status quo and enter into a new reality with God that will transform every aspect of our lives.
