Depraved Indifference (The Butch Karp and Marlene Ciampi Series Book 2) Robert K. Tanenbaum

Book Two of the bestselling Butch Karp legal thriller series: the prosecutor goes after Cold War terrorists and finds himself tangled up with the CIA, the FBI, and the Mafia

Butch Karp has never shied away from a difficult case, and when Croatian terrorists hijack a plane and kill an NYPD bomb squad cop in a bomb blast, he's eager to prosecute the high-profile killers. But Karp's aggression puts him at risk when his investigations uncover messy government secrets. Certain elements of the FBI and CIA don't want the trial to go forward, and are willing to go to extremes to sabotage Karp's case. Mired in local bureaucracy and international intrigue, only Karp's dogged determination—along with the help of his crime-fighting partner and girlfriend, Marlene Ciampi—can once again deliver justice.

This ebook features an illustrated biography of Robert K. Tanenbaum including rare photos from the author's personal collection.
