Ship Construction Sketches and Notes John F Kemp, Peter Young

This classic book in the Kemp and Young series has been fully revised and updated by David J Eyres, author of the well-known Butterworth-Heinemann title "Ship Construction," and will prove indispensable to the student reader. The contents cover, in numerous fully illustrated items, shipyard practices, principles of construction methods, the design and construction of the various component parts of the ship, and the overall arrangement of different types of merchant and passenger vessels.
