A satisfying category romance from Entangled's brand new Lovestruck imprint...

Two radio show hosts. One show. Who will come out on top?

In a moment of restlessness, Tate Grayson sold his multimillion-dollar company and spun his love of sports into a radio talk show. Life, and love, is too short to take seriously—a fact he enjoys rubbing in uptight radio host Noelle Butler's face.

After the death of her parents, a tragedy she blamed on herself, Noelle vowed to live a controlled, focused life. Now a psychologist, she channels her need for connection into her radio show. But when the arrogant sportscaster next door tells listeners men shouldn't get married, she's all too happy to yank the silver spoon out of his overprivileged mouth.

Their heated on-air arguments are a hit, but when the station director forces them to do a joint show for two weeks, Tate and Noelle object. They can't stand each other, despite the attraction sizzling beneath every interaction. But if they can't pull the struggling radio station back from the brink, they'll lose their jobs. Or worse, their hearts.
