The Emperor of Ocean Park

Stephen L. Carter

The Emperor of Ocean Park Stephen L. Carter

In his triumphant fictional debut, Stephen Carter combines a large-scale, riveting novel of suspense with the saga of a unique family. **The Emperor of Ocean Park** is set in two privileged worlds: the upper crust African American society of the Eastern seaboard—families who summer at Martha's Vineyard—and the inner circle of an Ivy League law school.

Talcott Garland is a successful law professor, devoted father, and husband of a beautiful and ambitious woman, whose future desires may threaten the family he holds so dear. When Talcott's father, Judge Oliver Garland, a disgraced former Supreme Court nominee, is found dead under suspicious circumstances, Talcott wonders if he may have been murdered. Guided by the elements of a mysterious puzzle that his father left, Talcott must risk his marriage, his career and even his life in his quest for justice. Superbly written and filled with memorable characters, **The Emperor of Ocean Park** is both a stunning literary achievement and a grand literary entertainment.
